**Explanation of Service Change and Variances:**

This is a new contract.

**Monitoring Report/Program Review & Follow-up:**

The contract services will be monitored in accordance with all applicable Departmental procedures through the Public Health Division.

**Nondiscrimination and Cultural Competency:**

The Department will work closely with the Contractor to ensure that their cultural competency plan is current and in compliance with Departmental procedures.

**Other Significant Issues:**

The Contractor shall provide ongoing support in COVID 19 testing services at potential community testing sites to reduce further exposures and infections. City Health provides low barrier, easily accessible testing with rapid results turnaround to decrease the disease burden in San Francisco.

City Health is a Medical Corporation registered in California. The company owns two urgent care centers in the Bay Area and a CLIA complex laboratory in Encino. City Health has been at the forefront of the COVID-19 pandemic, operating numerous testing locations throughout California, as well as offering testing services to a wide range of municipal and corporate partners, schools, and travelers to and from Hawaii and international destinations.

This contract is entered in under the emergency contracting provisions under Administrative Code Section 21.15

**Listing of Board of Directors, Owners of 10% or More of the Firm, and Executive Director**

**Listing of Board of Directors**

Sean Parkin, Chief Executive Officer and Founder

Barbara Kilian, Chief Medical Officer

**Owners of 10% or more of the Firm:**

Sean Parkin owns 49% of the organization and Barbara Kilian owns 51% of the organization.

The vendor has 2 Board members with 0 vacancies. Board members serve a term of two years and there are no term limits for members.

**Recommendation:** The Department recommends approval of this contract.
